

Congratulations to student Shiue-Min Shih from the Institute of Chemical Engineering for Winning 2nd Place at the 2024 AOTULE Student Conference in the group presentation

Award Details

Conference: 2024 AOTULE Student Conference

Dates: November 6-7, 2024

Venue: Bandung Institute of Technology, Indonesia

Participant: Shiue-Min Shih, Institute of Chemical Engineering

Presentation Topic: Future Transit: Smart Minibus System

The AOTULE alliance, established in 2007, brings together top engineering schools across Asia and Oceania to enhance the quality of engineering education and research, while fostering international collaboration. The alliance currently includes 13 leading institutions: the University of Melbourne (Australia), Tsinghua University (China), National Taiwan University (Taiwan), Hong Kong University of Science and Technology (Hong Kong), Bandung Institute of Technology (Indonesia), Institute of Science Tokyo (Japan), Korea Advanced Institute of Science and Technology (Korea), University of Malaya (Malaysia), Nanyang Technological University (Singapore), Chulalongkorn University (Thailand), Hanoi University of Science and Technology (Vietnam), Indian Institute of Technology Madras (India), and the University of Moratuwa (Sri Lanka).

As the sole representative from Taiwan, our College of Engineering and College of Electrical Engineering and Computer Science actively participate in the alliance's initiatives, which include: Annual Deans' Meetings; Joint Academic Conferences; Student Exchange Programs; Faculty and Staff Exchanges; Academic Information and Research Sharing; Other collaborative academic activities.
